On behalf of Daly Seven and our associates, thank you for putting your trust in us for your lodging needs throughout North Carolina, South Carolina, and Virginia

Our Commitment to you is that your health and safety along with our associates is our top priority. While our standards have always been high, we are enhancing our hygiene, cleaning, sanitizing/disinfecting and prevention protocols to make them even more rigorous. Hotel leaders and associates are going above and beyond to ensure the highest level of cleanliness measures are being implemented to keep our guests as safe and comfortable as possible. We want you to feel comfortable and safe when visiting any of our properties.

Daly Seven is staying informed of the frequent COVID-19 updates and implementing new cleanliness and safety protocols as changes arise. Communication is vital during these unprecedented times and we are fortifying our hotels with the tools they need to maneuver within the shifting environment that we operate in today.

In Daly Seven's 40 years of business, we have experienced many changes in the industry. This experience enables us to keep the big picture in sight and helps us prioritize when taking action in these challenging times. As this new chapter unfolds, we will continue to implement necessary protocols to address the trials at hand.

Thank you again for your trust. Rest assured, we are ready, now more than ever, to accommodate you and your loved ones. We are well prepared to navigate through these difficult times with your health, safety and confidence in Daly Seven at the forefront of everything we do.
